Friday, May 31st:	1st Period Exams EOC/CTE Exams	Monday, May 13th:	Math I/Math III

Wednesday, June 5th:	5th Period Exams EOC/CTE Exams	Thursday, May 16th:	Makeup Testing

Daily Schedule

All EOC and CTE Exams must be administered at school on a school issued Chromebook. After testing is completed, students who choose to leave will follow the normal school procedures for checking out early. Bus transportation will follow the NORMAL DISMISSAL SCHEDULE for all students in Rockingham County. Some students may be scheduled for makeup testing after a regularly scheduled exam.

Students should not visit any other Rockingham County Schools' Campus during any exam days. Students who are found on other campuses may be charged with trespassing (Board Policy 4302).

Exam Exemptions

Exam exemptions are limited due to required state testing measures; no EOC or CTE test may be exempted. Students should check with their individual school with any specific questions. Students who do not attend school during exam days will be counted as absent. Please note that athletic eligibility for Fall 2024 is based on grades and attendance from 2nd semester. Student athletes who have questions regarding attendance should see their school's athletic director.

Incident Weather

If school is canceled, testing will continue (or begin) on the next full day of school. Also, if school is delayed (1 or 2 hours), an announcement will be made by the Rockingham County School District notifying parents and students whether or not exams will take place. If a student misses school, he/she will be counted as absent.

Counting EOC Exams scores as part of the Final Grade

As in previous years, the EOC test raw scores will be converted to a 100 point score and this 100 point score will be averaged as 20% of the student's final course grade. Grades for Biology, Math I and Math III will be available soon after the testing is completed. However, because the English II test requires scoring of the written response component, grades for students who are in this course could be delayed by up to two weeks. If the scores are not quickly available, English II students will receive an Incomplete (I) on their report cards.

Questions

Our students and teachers have worked diligently to prepare for exams. If you have specific questions regarding your child's exams, please contact your student's teacher, guidance counselor, and/or principal.
